

Village of Brockport ACTIVE TRANSPORTATION PLAN

YOU'RE INVITED

OPEN HOUSE :: THURSDAY APRIL 9TH FROM 7:00PM-9:00PM

Brockport Village Hall, 49 State Street, Brockport, New York, 14420

The Active Transportation Plan will help the Village plan its future walking and bicycling infrastructure in a manner that is on par with the best practices from around the country. This project will support the continued development of safe, functional and attractive facilities for biking and walking in Brockport.

The Active Transportation Plan is an important step towards community safety and sustainability. The Plan will help create an inclusive system that accommodates the wide range of mobility levels of all pedestrians and bicyclists.

WE NEED YOUR INPUT!
