2019 Clean Streets Campaign

As the school year ends, beginning **Friday, May 10, 2019** the Code Enforcement Officer, partnered with the Department of Public Works, will patrol neighborhoods looking for accumulations of garbage. DPW will collect garbage left at the curb and dispose of it at your expense. **Please note that this is *not* a free pick up.** Property owners will be billed by the Department of Public Works for the collection and disposal of any refuse.

Remember all refuse must be stored in containers with adequately sealed lids and placed neatly at the curb for collection no sooner than 24 hours prior to the scheduled collection making sure not to block any road or sidewalk.

Electronic items will *not* be picked up by refuse collectors. To assist residents with proper electronic disposal, **Sunking Recycling will be providing two free electronics recycling sites, one at Monica Andrews Park and one in the parking lot behind Village Hall at 127 Main Street beginning Friday, May 10, 2019 to Wednesday May 22, 2019.**

If you have any questions or concerns, feel free to contact the Building/Code Enforcement Department at (585) 637-5300 Ext. 114

Thank you for doing your part to help our Village remain clean for everyone!

Sincerely,

Chad Fabry
Code Enforcement/Fire Marshal
