Dear Neighbors:

During the week of September 26, 2016, the Department of Public Works will begin working at the South Avenue Park in preparation for the installation of a children's playground on Saturday, October 1, 2016. Village officials, Parks Committee members, and volunteers, including some College of Brockport students, will assist in setting up the play equipment.

Join us October 1<sup>st</sup>, as we build the only playground in the southeast section of the Village of Brockport, where young children will play and have fun!
