Mailing Address (if different) _____

City _____ Zip _____

Phone _____

Email _____

Tree Species are determined by a number of factors, such as presence of overhead utility lines and width of the tree lawn (planting space). The Tree Board works with applicants on tree species selection.

In applying for a tree, the applicant:

- Understands and agrees to the Tree Board's selection of the proper tree species and to the board's directives for tree care.
- Understands that the tree is the property of the Village of Brockport and cannot be pruned without Village permission.
