

2021 Conservation Tree & Shrub Program

The Monroe County Soil & Water District is selling tree seedlings and transplants to landowners to establish **windbreaks, reforest land, prevent soil erosion, create suitable wildlife habitats, and add value to your home.**

Items available:

- 23 bare root tree/shrub species
- Flowering plants
- Seed mixes
- Tree tubes, bird houses, and more!

The deadline to order is March 5, 2021.

The Program's Catalog & Order Forms are available at our office or through the Conservation District's Website:

www.monroecountyswcd.org

Note: We will also be holding an overstock sale for individuals that miss the ordering deadline on April 24, 2021 9:00 - 11:00 am at the Monroe County Ecopark, 10 Avion Drive, Rochester, NY 14624
