The Sign Law has been sent to Village Attorney

Discussion regarding Chapter 58-23-B – Trustee Andrews said that members of the Historic Preservation board would prefer for CRC to recommend the language on HPB make-up as submitted by HPB. Thus, the section will be as follows.

B. Historic Preservation Board. The Village Historic Preservation Board will identify historic landmarks and districts and will issue certificates of appropriateness. The Board shall be nine members, all Village residents including, to the extent available in the community, but not limited to, as follows: one architect, two members of the Historical Society, one real estate broker, one member from the community at large, one attorney, one historian, one historic archaeologist and one prehistoric archaeologist. All members shall have a known interest in historic preservation and shall serve for terms of three years, provided that two of the initial members be appointed for terms of one year, two for a term of two years, and three for terms of three years, and that subsequent members shall appointed for terms of three years. [Amended 12-18-1995 by L.L. No. 9-1995]

Discussion about the appeals process – Chair Appleby suggested that appeals to decisions of the Historic Preservation Board should be to a court of law under Article 78, not to the Village Board. Trustee Andrews said that the members of the HPB are happy with the appeals process specified in C(6).

The next meeting of CRC will be held on 27 June, 2016.
