

Village of Brockport
Historic Preservation Board
Meeting of February 19, 2015
Minutes

1. The meeting began at 7:20 with Bill Andrews, Pam Ketchum, and Kevin McCarthy present. Bill presided in the absence of Chair Kathy Goetz. Village Board liaison Kathy Kristiansen was also present. There not being a quorum the members met informally and will report their action to the next regular meeting of the Board.
2. The members reviewed sign permit applications from Brian Arieno and Kathy Weston. They consulted a display of Victorian typefaces downloaded from Google Images and identified Victorian typefaces similar to those in the designs submitted and approved the design submitted by Weston without change. However, the typeface in the design submitted by Arieno was lighter than the Victorian counterpart. We recommended that the typeface submitted by Arieno be altered to boldface. Also, the question was raised as to the conformity with the Village Code of the length of one of the Arieno signs.
3. The members agreed to leave copies of the display of Victorian typefaces with Pam Krahe and ask that she give copies to sign permit applicants, asking them to identify the Victorian typefaces that they believe resemble ones in the designs they submit.
4. The members discussed briefly plans for the 2/25 public information meeting. Andrews reported that two objections to the proposed historic district had been received.
5. The meeting adjourned at 8:15.
