

## Agenda for Historic Preservation Board for 8-17-17

### Attendance:

Meet with Dave Miller and Katie Brown on discussion of historic preservation signage in our business district.

Approve minutes from previous meeting on 7-20-17.

### Old business:

Discuss historic signage details after meeting with Dave and Katie. Our goal is to help facilitate the codes department and have a sign ordinance that is enforced.

### New Business:

Review Jason's front step project utilizing our new/old C of A that Bill Andrews resurrected.

Discuss getting new homes designated to help protect the housing stock in Brockport.

Kevin McCarthy will discuss possible purchasing of historic homes in our village to rehab and hopefully sell to families.

Any other concerns or updates anyone has to bring to our attention.

Kevin
