

MINUTES
HOUSING TASK FORCE MEETING
SEPTEMBER 22, 2015

Attendees: Martie, Skip, Mike, Pam, Marcy

Unable to attend: Val, Kathy, David

- 1. An official letter of resignation from Pete Selig must be submitted to Leslie Morelli**
- 2. Minutes of the 9/14/15 meeting were voted on and approved**
- 3. HTF meeting dates are as follows:
10/12, 10/27, 11/9, 11/24, 13/14, 12/22
Discussion re: different meeting day, when all can attend, as well as possibly a different meeting place.
No conclusions**
- 4. Codes, re: trash and dumpsters were discussed; liaisons will work with Code Enforcement to update these codes**
- 5. Modern Disposal serves by county – Orleans, Niagara, Monroe; they have a recycling/disposal facility.
The Village can buy the toters, or Modern can supply them, depends on what is written in the contract.
Contract should have a # for how much it would cost for Modern to supply the toters. If Modern handles all complaints, this would require education of the community – to call Modern and not the Village. The Village would assess a fee for administration of billing**

6. We made a commitment, to put together specifics of what we would like included in a contract for curbside collection of refuse, garbage, and recyclables.

Next Meeting: 10-12-15; Submitted by: Marcelle M. Stickles
