

MINUTES
HOUSING TASK FORCE MEETING
6-13-16; 5:30 p.m.

Attendees: Annie, David, Martie, Chuck, Mike, Skip
Unable to attend: Pam, Val C., Marcy

Discussion of email from Waste Management. They have some suggestions for us. Now that the dissolution referendum is past, it is time to look at their suggestions. They will be invited to our next meeting. Discussion of need for municipal waste pick-up. Need to put out an RFP to get numbers on what a municipal pick-up would cost.

Results of Fair Street survey on traffic situation. Seven responses. Consensus from responses is that traffic is congested, may get worse after Ambulance Service moves onto street, but residents don't want to either eliminate on-street parking or change street to one-way. Discussion of additional no-parking times to be only during school hours, as school buses contribute to the congestion problem. Also, discussion of weight limit for vehicles except local traffic.

Preliminary discussion of zombie homes. Possible steps to take include registration of vacant properties, fines for Village to maintain property and ways to encourage families to purchase distressed properties.

There will only be one meeting in July and August. Second Mondays, not fourth.
