Donation Jars Report/Treasury Report: Chris reported that \$56.40 was collected and will be deposited for April. She said that a couple of places lost the jar labels so she volunteered to update the labels and deliver them to the vendors who need new ones.

Discussion: Agenda Topics

Arbor Day Details:

Everything is in place for April 25 Arbor Day. Rick will arrange for the setup for tables, etc. to be placed at Cooper Hall. Ian said the press release is out. T-shirts are in. Also, from SUNY Brockport, Dave Mahalyov will speak at the ceremony. Ian agreed to work with Rick to pick up the flags and mark the spots where trees will be planted.

Corbett Park:

Ian reported that there is no National Grid reimbursement for shrub plantings in adjacent to any overhead utility lines regarding the consideration for a living fence for planting at Corbett Park. Reimbursements are for trees only. It was also reported that there is a preference now to have a fence with trees/shrubs to grow in front.

Update on Rite Aid Plaza Redevelopment Project:

Ian reported that the owners of this property at the corner of West Avenue and Rt. 19 (Main St./N. Lake Rd.) want to go with Skyline Honey Locust trees. He, however, never heard back from David Hall from Ellicott Development regarding other suggested tree species besides Honey Locust.
