

**WALK! BIKE! BROCKPORT! ACTION GROUP  
MEETING MINUTES  
THURSDAY, DECEMBER 12, 2013**

**IN ATTENDANCE:**

**Jim Goetz, Peter Randazzo, William Andrews, Merrill Melnick, Raymond Duncan, Dan Hawkin, Lucille Ribble, Harry Shifton, Joan and Richard Fenton**

**“Walking School Bus” Discussion**

After a lively discussion of the importance of Walking School Buses (where an adult leads children to school), we decided to form a Walking School Bus Committee. This Committee’s mission will be to plan for two future meetings:

- First, a meeting of key office-holders who can help to form and support Walking School Buses in Brockport. Such a meeting would be held in early spring.
- Second, a follow-up larger meeting of those same individuals plus parents who might be interested in forming—or have their children join—a Walking School Bus. At this point we think such a meeting would feature a possible panel discussion of the topic—plus taking parents’ questions from the audience.

The Walking School Bus Committee members are:

Dr. Jim Goetz, Elizabeth Murphy, Dan Hawken, Richard and Joan Fenton, Prof. Liz Lenz and Harry Shifton

Elizabeth Murphy is Active Transportation Specialist, Finger Lakes Health Systems Agency—and is familiar with the Walking School Bus concept.

This committee will meet during the first week of January at the home of Richard and Joan Fenton to begin planning for the First Spring Meeting of key office holders who can help get the Walking School Bus concept up and running.

**Walk! Bike! Brockport! Winter Meetings**

We decided not to hold regular meetings during January-March—unless a committee member would like to call a special meeting on one of the 2<sup>nd</sup> Thursdays of the month at the Brockport Village Hall at 7:00 P.M. That time and place is reserved for our Walk Bike Brockport meetings.

HAPPY HOLIDAYS!  
Your humble servant-Ray
