CELEBRATION OF “WALK TO SCHOOL DAY” TROPHY

This meeting celebrated the creation of the unique trophy that will be awarded each year to the Brockport elementary school, which has the highest percentage of participants in the annual “Walk to School” event.

Dr. Jim Goetz—Chairman of Walk! Bike! Brockport’s Walk to School Subcommittee—came up with the idea for this one-of-a-kind trophy for kids walking to school in the annual event.

Jennifer Hecker in the Department of Art at the College of Brockport created the cast bronze figures on the trophy. Ed Lehman, known locally for his outstanding wood craftsmanship, created the walnut base of the trophy. A member of Walk! Bike! Brockport, Ed is a retired professor of sociology at the College. He explained the trophy design’s evolution.

This year’s “Walk to School” Day will be Wednesday, October 1st, during which many members of Walk! Bike! Brockport! will participate—led by Dr. Goetz,
