 no

Leadership: Board selects own Chair and Vice Chair each August

Meeting Schedule: 2nd Tuesday of each month at 7pm

Meeting Location: Seymour Library

Compensation: none

Mission / Charges: Assess the current state of our public trees through a computer-based inventory of all trees on village property (completed 9/06). Identify tree species suitable for our area and appropriate for the various kinds of sites in an urban community. Emphasize diversity in future tree plantings to avoid a monoculture of species. Identify and preserve the particularly fine specimens of older trees that we currently have in our community. Promote public awareness of the importance of our urban forest through education, community plantings and maintenance of new trees. Attain the National Arbor Day Foundation's status as a Tree City USA and make Brockport a "village arboretum".
