

**Dept. of Public  
Works**

**To:** Residents of South Street

**From:** Village of Brockport Water Department

**Date:** July 16, 2020

**Monday, July 20<sup>th</sup>**, between 9 am and noon, we will need to shut off water to your home as the second to last step in the abandoning of the old 4" water main.

Storm sewer replacement on the entire street has been completed. We will be installing new concrete curbs in the very near future and the final phase will be to blacktop the entire Street.

If you have any questions please call the office at 637-1060, Monday – Friday 7:00am - 3:30pm.

Thank You,

Harry Donahue  
Superintendent of Public Works
