

Village of Brockport
Comprehensive Financial Management Policy
(General Municipal Law Section 39)
(Annual Organizational Meeting Policy Readoption)
Investment Policy
Amended for Review By Village Board 8/15/22

1. Investment Policy Purpose:

The Board of Trustees desires to provide the finest services possible to its residents, compatible with the least cost to the taxpayers. To achieve this goal all sources of revenue, other than taxes, must be enhanced. Interest earnings offer large potential alternative revenue.

The Board of Trustees desires that excess Village monies, not needed for immediate payment of bills, be temporarily invested to earn a safe return as provided for within the Village Law, General Municipal Law, Local Finance Law and Banking Law. The priorities for investing Village monies shall be (in order of priority):

1.1 Safety – Funds must not be lost by the Village.

1.2 Liquidity – Appropriate amounts must be available for each payroll, debt service, and abstract date. No investment should mature later than the date the invested funds are anticipated to be needed and in no case, more than two years from date of purchase.

1.3 Yield – The highest market interest rate available (other conditions being equal) is to be solicited.

2. Prudence:

All participants in the investment process shall act responsibly as custodians of the public trust and shall avoid any transaction that might impair public confidence in the Village's ability to govern effectively.

Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence would exercise in the management of their own affairs: not for speculation, but for investment, considering the safety of the principal as well as the possible income to be derived.

All participants involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program, or which could impair their ability to make impartial investment decisions.
