To: Residents and Businesses of Market Street

From: Village of Brockport Water Department

Date: April 12, 2022

On Wednesday, April 13th, 2022, the Village of Brockport Water Department will be capping off an old 6" water main on Market Street and connecting the new upgraded 12" water main. To do this water main upgrade we will have to turn off the water main from approximately 10:00 am to Noon.

If you have any questions, please call the office at 637-1060, Monday – Friday 7:00am - 3:30pm, or 637-5300 ext. 113.

Thank You,
